

THE NEW MINI 3-DOOR AND 5-DOOR HATCH.

It's easy to have fun in the city – given it's precisely what the MINI 3-door and 5-door were made for. With its signature go-kart feel, it masters even tight bends and narrow lanes effortlessly and with ultimate precision. Flawlessly adapted to urban living, the MINI style stands out for so many reasons. For example the Multitone roof, a creative take on the contrasting roof and now available for the first time straight from the factory. Or with the stylish Piano Black exterior and standard LED lights with Black high-gloss inner casing – extraordinarily, purely and 100% MINI.

PRETTY GOOD TOGETHER.

AS POWERFUL AS YOU PLEASE.

COOPER S.

Full speed ahead: The 2.0litre, four-cylinder petrol engine with 131 kW*/178hp delivers the perfect performance whatever the lay of the land. Continuing the theme are its athletic appearance with air inlets in the bumper and bonnet, the rear apron with diffuser insert, central double tailpipes and model-specific rear spoiler.

COOPER.

The 1.5litre, three-cylinder petrol engine in the Cooper delivers 100kW/136hp – the perfect combination of dynamics and efficiency. Special characteristics: Roof and exterior mirror caps in contrasting colours and bonnet stripes are available, as well as a tailgate handle in high-gloss Black, 15" light alloy wheels and a tailpipe trim.

ONE.

Experience the full force of that signature MINI go-kart feel even with the 1.5litre, three-cylinder petrol engine and 55kW/75hp in the One First or 75kW/102hp in the One. Both models are recognisable from the roof and exterior mirror caps in body colour, the tailgate handle in Black matt and the left-hand tailpipe without trim.

Each MINI model has its own special strengths. But they all have one thing in common: powerful, clean and efficient MINI Twin Power Turbo technology. The 6-speed manual transmission comes as standard and enables rapid gear changes. The 7-speed double-clutch transmission notches it up a gear, and is optionally available as a sports transmission for the Cooper S.

The new adaptive chassis in the Cooper and Cooper S delivers the perfect balance between comfort and athleticism. MINI Driving Modes MID and GREEN offer efficient and economical vehicle settings – and in SPORT mode you can change the steering and accelerator characteristics at the touch of a button.

* Depending on the environmental conditions, a temporary peak output is provided that may be approx. 10% above the nominal output; the duration of the peak output increases as the environmental temperature decreases (at +25°C approx. 5s, at -20°C approx. 40s).

WHICH LOOK WILL BE YOURS?

When it comes to equipment, the MINI is clear in its approach: many options, one individual style. The first step to fine-tuning your own personal style is to choose from the trim options Classic, John Cooper Works or MINI Yours. These can then be customised with feature-rich packages to suit your specific requirements. The third step is to select individual options to create your own, custom-designed vehicle.

Some of the equipment options offered by the trims are shown here in three preconfigured examples – each modelled by the 3-door MINI Cooper S. Find out more from your MINI Partner about the trim options available – or visit the MINI website.

CLASSIC TRIM. FOR THAT ORIGINAL MINI FEELING.

- Paintwork in Rooftop Grey
- Contrasting roof and exterior mirror caps in Black
- Bonnet stripes in Black
- Light alloy wheels 17" Pedal Spoke black

COLOUR LINES.

Carbon Black

Malt Brown

Satellite Grey

INTERIOR SURFACES.

Piano Black

Silver Chequered

Aluminium

Hazy Grey³

Colour Lines determine the colour scheme of the door armrests and knee rolls. They always correspond to the colour of the seats and hone the selected style into the finest detail.

Interior surfaces complete the interior design. A cockpit trim in Hazy Grey is already on board as standard for the One and Cooper – it comes in Piano Black together with the door trims as part of the Classic and JCW trims. A signature feature of the MINI Yours trim is a cockpit trim in Aluminium with door sill finishers in Mystic Brown. Silver Chequered colouring with door sill finishers in Piano Black is available as an option with any trim.

¹Leather covering on the seat cushions, backrest and headrests front and rear | ²Leather covering on the seat cushions and backrest

³No door trim

NOT JUST A PRETTY FACE.

Your chosen trim can be perfected with a range of feature-rich packages: Connected Navigation Plus delivers the latest technology, including the MINI Head-Up Display (1) that puts core journey information right in your field of vision. With a personal concierge, real-time traffic information via the navigation system and a range of other Remote Services, this package opens up all the latest ways to interact with your vehicle. The Driving Assistant Package Plus makes driving even easier, offering not just a Parking Assistant with Rear View Camera (2) but also Lane Departure Warning, ACC Stop&Go and even more technology to support your drive. With the Comfort Package Plus, you'll enjoy being in your MINI even more thanks to seat and steering wheel heating, automatic air conditioning (3) and Comfort Access.

A range of individual options are also available to make your MINI just how you want it – these include a stylish Piano Black exterior (4), full LED headlights with Matrix light functionality (4), a large-scale panoramic glass sunroof (5) and the 360 Watt Harman Kardon® HiFi system with 12 speakers (6).

There's more on all available packages and individual options at mini.com

MOBILITY LIKE NEVER BEFORE – WITH THE NEW MINI APP.

Get the most out of your MINI: The new MINI app is a mobile add-on that seamlessly connects your smartphone to your MINI and gives you access to your vehicle's core functions. The app's intuitive, user-friendly design make it incredibly easy to use. The MINI app also opens up new routes and interactions with MINI Connected and your surroundings – it gives you a constant overview of the current status of your MINI and Remote Services also mean you always know where your MINI is parked. It makes it even easier to get from A to B as it lets you add favourites like “home” and “work” or you can send other destinations straight to your MINI. If your MINI has any service requirements, the app will notify you directly. You can then use the app to make an appointment directly with the MINI Service Partner it has saved for you.

¹ Depending on the environmental conditions, a temporary peak output is provided that may be approx. 10% above the nominal output. The duration of the peak output increases as the environmental temperature decreases (at +25 °C approx. 5s, at -20 °C approx. 40s).

² All figures relate to vehicles with the standard 6-speed manual transmission. Values in [] relate to vehicles with 7-speed automatic Steptronic transmission.

³ The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 715/2007 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment. For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.

The models illustrated in this brochure show the specifications for vehicles produced by BMW AG for the German market. In part, they include optional equipment and accessories not fitted as standard. The availability of standard and optional equipment, and configurations of options, may vary for all models in this brochure after going to press on 01 January 2021 and may vary from country to country within the European Union. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to changes in design and equipment.

At the end of the use phase, all vehicles can, of course, be recycled and re-used. Additional information about returning your old vehicle can be found on our website at mini.com/recycling
