

THE NEW
MINI CONVERTIBLE.

OPEN TO NEW HORIZONS.

We love being let loose in the city. It gives us a sense of spontaneity and lets us enjoy the moment. The electric softtop opens in just 18 seconds when the car is standing or even when it's moving slowly. You feel the wind in your hair, the sun on your face and know there's nothing above you except open sky. There's no more relaxing and inspiring way to be on the move.

The new MINI Convertible is a fusion of charming looks, unique design and intelligent use of space. It features the largest interior of its class and has four seats. The steep windscreen creates an airy sense of space. And the Easy Load feature means you can increase the size of the boot opening when the softtop is closed.

A new sense of freedom opens up even when the top is closed, thanks to that signature MINI go-kart feeling and agile handling. The MINI Convertible delivers not only all the classic features but also the benefits of digital connectivity. The Weather app lets you carry on driving with the top down and not a care in the world.

WIND, STORM OR HURRICANE?

From relaxed cruising to athletic cornering – the MINI Convertible models offer the right drive for every style. What they all have in common is the clean and powerful MINI Twin Power Turbo technology. The 6-speed manual transmission enables quick gear changes as standard. This notches up another gear with the 7-speed double-clutch transmission, which is optionally available as a sports transmission for the Cooper S.

The new adaptive chassis in the Cooper and Cooper S delivers the perfect balance between comfort and athleticism. MINI Driving Modes MID and GREEN offer efficient and economical vehicle settings – and in SPORT mode you can change the steering and accelerator characteristics at the touch of a button.

COOPER S.

Full speed ahead: The 2.0 litre, four-cylinder petrol engine with 131 kW*/178 hp delivers the perfect performance whatever the lay of the land. Continuing the theme are its athletic appearance with air inlets in the bumper and bonnet, the rear apron with diffuser insert and the central double tailpipes.

COOPER.

The 1.5 litre, three-cylinder petrol engine in the Cooper delivers 100 kW/136 hp – the perfect combination of dynamics and efficiency. Special characteristics: exterior mirror caps in contrasting colours and bonnet stripes are available, tailgate handle in high-gloss Black, 15" light alloy wheels and tailpipe trim.

ONE.

The signature MINI go-kart feel can already be enjoyed to the full with the 1.5 litre, three-cylinder petrol engine and 75 kW/102 hp in the One – recognisable by the exterior mirror caps in body colour, tailgate handle in Black matt as well as the tailpipe on the left without trim.

* Depending on the environmental conditions, a temporary peak output is provided that may be approx. 10% above the nominal output; the duration of the peak output increases as the environmental temperature decreases (at +25 °C approx. 5 s, at -20 °C approx. 40 s)

CLASSIC, ATHLETIC OR ELEGANT?

In all aspects of style, the new MINI Convertible follows a logic that is strikingly clear: Anything is possible, everything is signature MINI. The first step to fine-tuning your own personal style is to choose from the trim options Classic, John Cooper Works or MINI Yours. These can be combined with additional feature-rich packages to suit your specific requirements. The third step is to select individual options to create your own, custom-designed vehicle.

Some of the equipment options offered by the trims are shown here in three preconfigured examples – each modelled by the MINI Cooper S. Find out more from your MINI Partner about the trim options available – or visit the MINI website.

CLASSIC TRIM. FOR THAT ORIGINAL MINI FEELING.

- Paintwork in Zesty Yellow
- Exterior mirror caps in Black
- Light alloy wheels 17" Pedal Spoke black
- Sport seats in fabric/leatherette combination

MAKE YOUR MARK.

A selection of unique paintwork colours are available for every trim. Exterior mirror caps are available in body colour or with matching bonnet stripes in contrasting Aspen White, Melting Silver or Jet Black. And just in case it does ever rain, two different materials are available for the softtop.

Combine your choice of colour with light alloy wheels sized from 15 to 18 inches – with many other light alloy wheels available via Original MINI Accessories. A selection of design highlights is shown on the right.

TAKE A SEAT.

The length of time you can sit back and enjoy a journey depends in no small measure on seat comfort. The range of trims provides you with many options to create your ideal seating. Whether you go for fabric, fabric/leatherette or leather – whatever you choose, the right combination of interior features is available to infuse the inside of your car with your chosen style. A selection of the seat designs available is shown below.

1

MINI YOURS LOUNGE LEATHER IN CARBON BLACK.
Ultimate comfort, classic Union Jack design on the front of the headrest, striking piping and immaculate workmanship. In a MINI Yours sport seat, you can really feel the difference, however long the drive.¹

INTERIOR SURFACES.

Piano Black

Silver Chequered

Aluminium

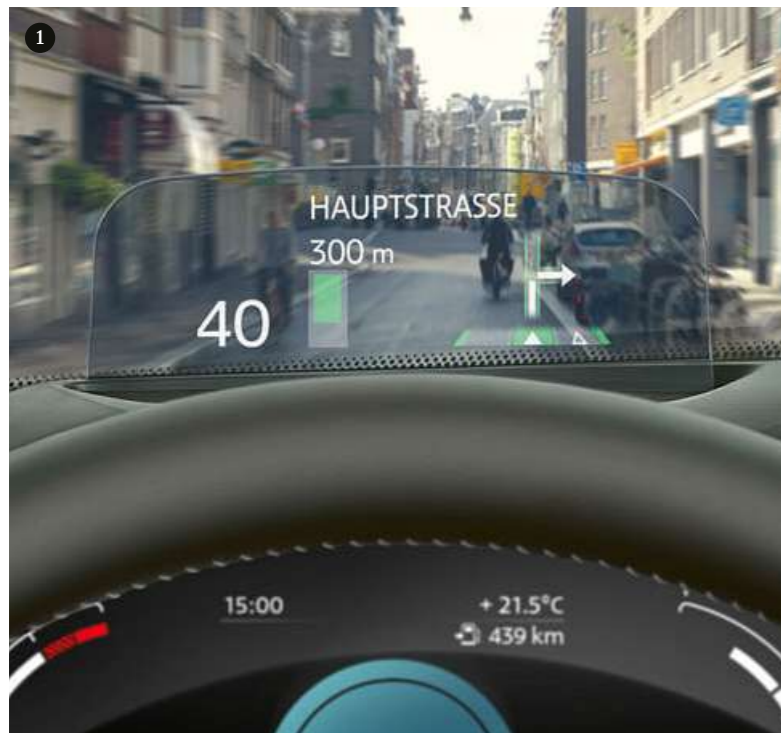

Hazy Grey³

Colour Lines determine the colour scheme of the door armrests and knee rolls. They always correspond to the colour of the seats and hone the selected style into the finest detail.

Interior surfaces complete the interior design. A cockpit trim in Hazy Grey is already on board as standard for the One and Cooper – it comes in Piano Black together with the door trims as part of the Classic and JCW trims. A signature feature of the MINI Yours trim is a cockpit trim in Aluminium with door sill finishers in Mystic Brown. Silver Chequered colouring with door sill finishers in Piano Black is available as an option with any trim.

¹Leather covering on the seat cushions, backrest and headrests front and back | ²Leather covering on the seat cushions and backrest

³No door trim

MORE TECHNOLOGY. MORE CONVENIENCE. MORE MINI.

Your chosen trim can be perfected with a range of feature-rich packages: Connected Navigation Plus delivers the latest technology, including the MINI Head-Up Display (1) that puts core journey information right in your field of vision. With a personal concierge, real-time traffic information via the navigation system and a range of other Remote Services, this package opens up all the latest ways to interact with your vehicle.

The Driving Assistant Package Plus makes driving even easier, offering not just a Parking Assistant with Rear View Camera (2) but also Lane Departure Warning, ACC Stop&Go and even more technology to support your drive. With the Comfort Package Plus, you'll enjoy being in your MINI Convertible even more thanks to such features as the wind deflector (3), seat and steering wheel heating, automatic air conditioning (4) and Comfort Access.

There is also a range of individual options available to make your MINI Convertible exactly how you want it – including the MINI Yours softtop with Union Jack design (5), 360 Watt Harman Kardon® HiFi system with 12 speakers (6) or a stylish Piano Black exterior (7).

There's more on all available packages and individual options at mini.com

MOBILITY LIKE NEVER BEFORE – WITH THE NEW MINI APP.

Get the most out of your MINI: The new MINI app is the mobile add-on that seamlessly connects your smartphone to your MINI and gives you access to your vehicle's core functions. The app's intuitive, user-friendly design make it incredibly easy to use. The MINI app also opens up new routes and interactions with MINI Connected and your surroundings – it gives you a constant overview of the current status of your MINI and

Remote Services also mean you always know where your MINI is parked. It makes it even easier to get from A to B as it lets you add favourites like “home” and “work” or you can send other destinations straight to your MINI. If your MINI has any service requirements, the app will notify you directly. You can then use the app to make an appointment directly with the MINI Service Partner it has saved for you.

BREATH OF FRESH AIR.

Whether a committed convertible fanatic who wouldn't be seen dead under a metal roof, or a fresh air rookie blowing away the cobwebs for the first time – the first trip in the new MINI Convertible is always a special moment. There are very few cars of this class that give such a full-scale, authentic experience of fresh air – and with space for up to four people.

Your MINI Partner will be happy to make an appointment for you – ideally when the sun is due to shine. So hop in, put the top down and discover the wide open sky. Enjoy.

¹ Depending on the environmental conditions, a temporary peak output is provided that may be approx. 10% above the nominal output. The duration of the peak output increases as the environmental temperature decreases (at +25 °C approx. 5 s, at -20 °C approx. 40 s).

² All figures relate to vehicles with the standard 6-speed manual transmission. Values in [] relate to vehicles with 7-speed automatic Steptronic transmission.

³ The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 715/2007 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment. For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.

The models illustrated in this brochure show the specifications for vehicles produced by BMW AG for the German market. In part, they include optional equipment and accessories not fitted as standard. The availability of standard and optional equipment, and configurations of options, may vary for all models in this brochure after going to press on 01 January 2021 and may vary from country to country within the European Union. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to changes in design and equipment.

At the end of the use phase, all vehicles can, of course, be recycled and re-used. Additional information about returning your old vehicle can be found on our website at mini.com/recycling
